

### Who

Creative and compassionate kids and businesses working together to positively impact our community.

### What

We design and manage art projects and fundraising events benefiting various non-profit organizations.

### How

**Volunteer** to help with creative arts, business administration and planning.  
**Sponsor** as a business or individual to enhance our project success.  
**Donate** money or supplies for our art projects and events.

### When / Where

#### Workshops and Meetings:

First Saturday of every month 6p-8p we meet at Young at Art on 19th Street in the Heights to plan upcoming events and work on current art projects.

#### Monthly Donation Drives:

Each month we collect new and gently used items to donate to local non-profit organizations thru area business storefronts:
