

itscool2care update

Join us at Discovery Green for [Earth Day Houston](#), this Saturday, April 11th from 9a-6p! Visit us or help us, we'd love to hang with you!

THANKS to all of the NEW volunteers from Harvard Elementary Student Council (Mrs. Sessions), Science Night Donation and Awareness Drive (Mrs. Ellis), Reagan High School Students, Lanier Middle School Students, and the Lamar Animal Welfare Society. Thanks also to our compassionate entrepreneurs; Kristen, Elizabeth, Matt, Kate, Jess, Link, and Chase - and thanks to Dara, Kalyn, and Angel for inspiring them to design their own projects to raise funds and awareness!

Our Headquarters, Friends For Life's Animal Adoption and Compassion in Action Center is open and we are recruiting young volunteers at a steady rate. If you'd like your child to participate, please reply to this email.

Thanks for all you do!

Brooke Summers-Perry, Founding Director
